About Mail.ru Group

Mail.ru Group (MAIL, listed since November 5, 2010) is the largest internet business in Russia in terms of total daily audience (Mediascope WEB-Index Desktop&Mobile, Russia 0+, population aged 12+, January 2020).

Mail.ru Group is developing the leading domestic internet communications and entertainment platform. The company owns Russia’s two largest Russian language social networks, VKontakte (VK) and Odnoklassniki (OK), leading email service, one of Russia’s largest internet portals (Mail.ru), and four instant messaging services. The company also holds the international gaming brand MY.GAMES, with a portfolio of hundreds of popular games for a range of platforms and over 540 million users worldwide. In 2019, Mail.ru Group Tech Lab was launched with a primary focus on technology and innovation development.

Mail.ru Group is a shareholder of AliExpress Russia JV along with Alibaba Group, MegaFon and Russian Direct Investment Fund. The company partners with Sberbank to jointly develop O2O service platform targeting food delivery and taxi markets.
